NOTES: Beginning with the 2010-11 academic year, there are new race/ethnicity categories that reflect changes in governmental definitions relating to race and ethnicity. Because of these changes, it is extremely difficult to make meaningful comparisons of numbers compiled before and after fall 2010.

- Hispanics may be of any race, and are reported here as Hispanic.
- Asian and Hawaiian/Pacific Islander are now reported separately.
- 2+ Races URM excludes any Hispanic category.

- Academic Non-Faculty include instructor, lecturer, senior lecturer, teaching associate, research and senior research associate, extension and senior extension associate, librarian, associate librarian, senior assistant librarian, assistant librarian and archivist titles.
